contact Marley Roofing for
lead time from order.
(Terms & Conditions apply)

** Inhouse strength test – contact Marley
Roofing for more information

Exceptional flexural strength and options
for tailor-made lengths, our new Eco-Tuff
Fascia Boards completes our superior range
of Eco-Tuff finishing products that are
virtually breakage-free with less joining
hassles!

Advantages:

- > Superior strength –** approx. 50% stronger than 12mm and
200% stronger than 10mm fibre cement fascia boards.
- > Superior weathering – extreme UV resistant
- > Eco friendly – made from PVC/Wood composite utilising
recycled materials
- > Agrément Approved
- > *Tailor-made lengths – no joiners, result in labour and
material cost savings
- > Paintable – no primer required if using a good quality roof paint
