

Multi-surface Paint & Inspiration Guide!

Yes, it's true! We are not new to paint.

Our M11 & M22 Ready-painted Roof Tile Formulations have stood up to their promise over the last few decades and are available to you, in two - easy to apply - Multi-surface Paints that will transform your home!

A Professional Painter?

We now offer a range of primers and waterproofing systems, as well as the capability to create bespoke colours for orders above 200L, using our in-plant colourants.

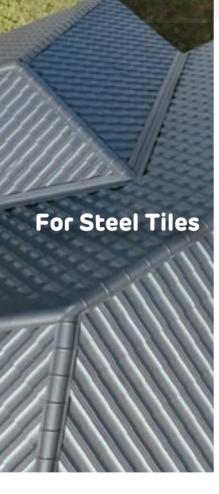

This means that our bespoke colours are less likely to fade and more affordable when compared to tinter mixing.
